List of new religious movements - wikipedia

A new religious movement (NRM) is a comprehensive term used to identify religious, ethical, and spiritual groups, communities and practices of relatively modern origins. NRMs may be novel in origin or they may exist on the fringes of a wider religion, in which case they will be distinct from pre-existing denominations. The term is broad and inclusive, rather than sharply defined.

Dear church, here's why people are really leaving you

You may think you know why people are leaving you, but I'm not sure you do. They're ear and eye candy for an hour, but they have so little relevance in people's lives. Your vision can't see past your building. But the current Church does a poor job of showing that side of Jesus Christ. Jehovah's Witnesses do the same.
