The disasters of war - wikipedia

The Disasters of War is a series of 82 prints created between 1810 and 1820 by the Spanish painter and printmaker Francisco Goya (1746–1828). Although Goya did not make known his intention when creating the plates, art historians view them as a visual protest against the violence of the 1808 . During these years he painted little aside from portraits of figures from all
